Participant Responsibilities

Each JA student participant plays a key role in making the program work and in order for you and your colleagues to run a successful business, it will be your responsibility to follow these policies:

Attendance: Students are expected to attend every weekly session. If you are unable to attend due to illness or other legitimate reason, you must phone or email your Student Company's Attendance Coordinator prior to the meeting's start time.

Respect: Everyone is asked to practice good business manners. JA companies conduct business in a professional manner, giving everyone opportunity to speak at meetings and voice their opinions and suggestions. JA students are expected to respect and support decisions made by the JA Company in conducting its business.

Financial Obligations: JA students are expected to handle monies, bank accounts and financial obligations incurred by their JA Company in a safe and responsible manner. Financial transactions must first be discussed and approved by the student executive and the advisory team before they are carried out. (This would include supply orders, student employee wages & commissions, charitable donations, payouts to shareholders etc.)

Punctuality: Meetings will begin on time. JA Company Executive should arrive 15 minutes prior to the regular group meeting time to discuss that day's agenda with the Advisory Team.

Transportation: JA students must make their own arrangements for transportation to and from weekly meetings. Due to insurance and other legal reasons volunteer mentors are not able to provide rides or other transportation for student participants.

Meeting Space: Everyone is expected to respect the meeting facilities and any supplies or equipment made available to the group. Everyone is expected to help with clean up and room set up as required.

Smoking: Smoking should occur only in designated areas outdoors, and should not occur during any JA Company meeting session.

Consumption of Alcohol and Illegal Drugs: Consumption of alcohol or illegal drugs during JA Company meetings or work sessions is not acceptable. Inappropriate activity in regard to these substances will result in immediate dismissal from the program.

Cell Phones and Electronics: All phones, tablets, games, listening devices and other electronics should be turned off or muted during meetings, in keeping with standard business protocol. There will be times when it will be appropriate to use your own device for CP activities as indicated by your Advisory Team.

Snacks: If appropriate JA students may bring snacks for consumption during meeting breaks.

Breaks & Restrooms: Everyone is asked to respect the group's policies regarding snack breaks, restroom visits etc.

Termination of Participation: JA student participants will be asked to leave the Company Program if their lack of attendance or inappropriate conduct becomes problematic.
