SUCCESS STARTS HERE

Empower students with financial literacy, so they can have a personal finance plan and clear goals for their financial security!

Personal Finance is a program designed for grade 11-12 students. The program teaches students personal money management skills including the key elements of personal finance such as spending wisely, budgeting, saving, investing and using credit.

Volunteer-Led Programs

- JA volunteer(s) facilitate the program activities adding their industry knowledge and perspective to the lessons
- Programs are offered in-class, virtually or live as permitted
- Teacher manages access and supervises students during the program
- Timing and duration of program is flexible

Teacher-Led Programs

- Teachers can facilitate the program activities and lessons directly with their students or monitor their students while they work independently
- JA will provide support and access to the program resources through the JA Campus
- Teachers can lead the program at their own pace
- Programs consist of five x 45-minute lessons

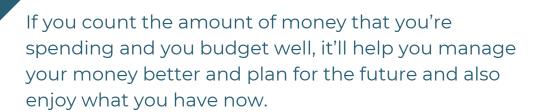

Key Learning Objectives

After completing the program, students will be prepared to:

- Recognize the role income plays in personal finances
- Discover the importance of planning their financial decisions
- Identify high-dollar items and unexpected costs that require savings
- Explain the importance of making and keeping a spending plan
- Consider the types of expenditures that might go into a monthly budget
- Express the need to make good credit decisions to avoid costly consequences
- Assess potential risks to their personal finances

This JA program can assist educators and students in achieving curriculum objectives.
